

Yolanda and Dennis De La Paz
Revocable Living Trust with Charitable
Remainder Clause

Powerful Strategies

FOR PEOPLE WHO CARE

Retired banking VPs Yolanda and Dennis had their financial future covered.

Once Dennis was diagnosed with prostate cancer, the family searched for stability and healing at Loma Linda University Health (LLUH).

Given a second chance at life, the De La Paz's were inspired to give back to LLUH through Planned Giving.

Their strategy was to include a charitable remainder clause in their revocable living trust.

Let us help you discover your Powerful Strategy.
